

# Nara Pendant 60 cm / 24"

The Nara Collection derives its name directly from the ancient Japanese capital which was built in a grid-like pattern. It is a playful collection of rounded squares which come in different sizes and functions.

The classic shapes of the Nara Pendants are always chic and will have an elegant effect on any room. They are suspended from a brushed stainless steel ceiling plate 20 x 20 cm - 8 x 8", by a 2 mm stainless steel cable, in adjustable heights up to 200 cm - 78" long, with a clear electrical cord. Shades can be balanced horizontally or up to 30 degrees diagonal.

The particular design introduces a combination of hand crafted silk with plain geometry.
