

Lucky Lamp

Wall lamp

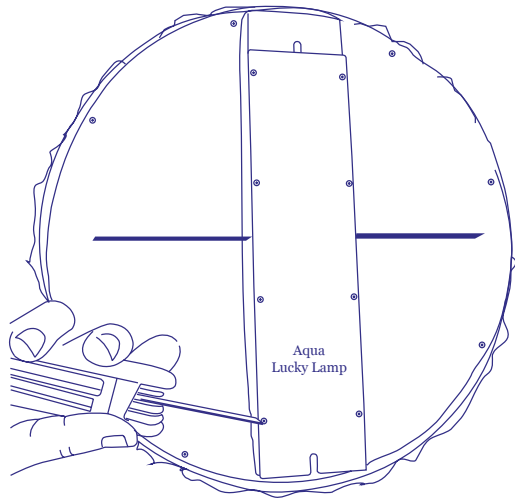

May 2018

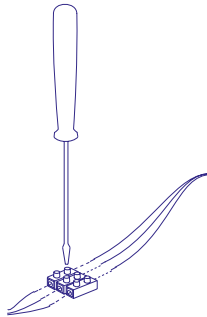

Aqua Creations
Lights That Matters

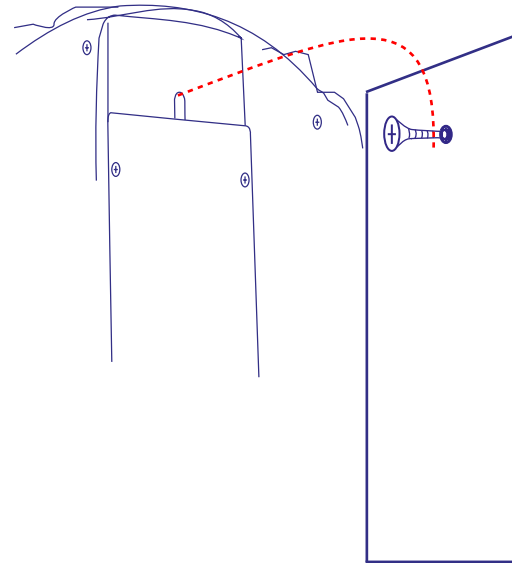

- 1** Put the Lucky Lamp carefully on its shade. Open the screws and take the plate out.

- 2** Connect the wires, ground is important.

- 3** Hang the lucky Lamp on a wall screw

- 4** One of the bottom switches is on&off (the one with light)
Second is the scene chooser
and push dimmer.
There is also a volume knob
