

## Fan Wall & Ceiling Light

Our Fan wall light fixture is drawn from the shape of a flower. Its rippled lip and pleated silk shade casts a delicate light that makes it ideal for a living room, hallway or feature wall setting. The Fan comes as a left or right

option, and we recommend hanging it in pairs, or multiples. This wall light is a member of the Morning Glory Family, of lighting fixtures which are inspired by organic stylized forms and are among our best selling products.
